re: Recent Crime Problems in Logan Circle and Request for District of Columbia Housing Authority Action at 1170 12th St. NW (Rock Creek Regional Office)

Dear Mr. Kelly,

Our area has seen a noticeable increase in street crime the last several months. In response, ANC2F has established a Crime and Public Safety Committee (CPSC) to advise the ANC on ways to abate crime and increase public safety. We are asking residents, local businesses, residences and other governmental agencies to assist us in this endeavor and to do what they can to deter criminal activity.

In that vein we are asking that you repair the three globe style lights on the north side of your building at 1170 12th St. NW. This lighting has been out for over two years. Please see the attached pictures and descriptions. This area along M. Street NW continues to be an area with active prostitution and public drinking and your support by improving the lighting around your building is essential.

If you require assistance or need further information, you may either contact me or Michael Sheaffer, who co-chairs our CPSC and is also one of your neighbors on 12th Street. He may be reached at work 703-695-0284, or at mksusa@aol.com. We will follow-up on this request, but it would be greatly appreciated if you would reply within 15 business days from the date of this letter.

Sincerely yours,

Charles D. Reed
Chairman, ANC2F
