re: Recent and Planned Improvements to The Plymouth Apartments at
1236 11th St. NW

Dear Mr. Fleming,

It has come to my attention that following a meeting on October 28, 2005 between yourself, members of the District government and local citizens, you have initiated a number of improvements to the Plymouth Apartments located at 1236 11th St., NW. As you know, our area has seen a noticeable increase in street crime the last several months. In response, ANC2F has established a Crime and Public Safety Committee (CPSC) to advise the ANC on ways to abate crime and increase public safety. We are asking residents, local businesses, residences and other governmental agencies to assist us in this endeavor and to do what they can to deter criminal activity.

We appreciate the work you are doing and have done, to include the graffiti that has been removed and the planned access door lock upgrades and the planned installation of a surveillance system. All of this helps us maintain a safe neighborhood.

As your ANC, we exist to provide a service not only to the residents but to the local business community. Please let me know if you require assistance or need further information. You should feel free to contact Michael Sheaffer directly. He is a co-Chairman of the CSPP and is also one of your neighbors on 12th Street. He may be reached at work 703-695-0284, or at mksusa@aol.com.

Sincerely yours,

Charles D. Reed
Chairman, ANC2F
