Dear Sirs:

I am writing to alert you that your roll-down security gate and premises wall have graffiti markings that have not been removed in a timely manner and are in violation of our September 29, 1997 Voluntary Agreement. Attached are photographs of the graffiti. Please promptly remove this graffiti, as required under the terms of our Voluntary Agreement, Paragraph 6: "The Licensee will remove all graffiti from the exterior walls of the premises within fifteen (15) days hereof and will use best efforts to maintain the exterior walls in a graffiti-free condition."

Concerned citizens have also observed individuals drinking in public in front of your store. We request that you promptly notify the police when this happens and make an effort to reduce the loitering in front of your store. I hope you will join us in our efforts to make our neighborhood a safer community for all.

If you require assistance or need further information, you may either contact me, Michael Sheaffer, who co-chairs our Committee on Crime and Public Safety (CCPS), or ANC 2F-06 Commissioner Michael Nelson. Mr. Sheaffer may be reached at work, 703-695-0284, or at [mksusa@aol.com](mailto:mksusa@aol.com). I and Commissioner Nelson can be reached via the ANC's web site at [www.anc2f.org](http://www.anc2f.org).

We will follow-up on this request, but it would be greatly appreciated if you would correct this situation within 10 business days from the date of this letter.

Sincerely yours,

Charles D. Reed  
Chairman, ANC2F
