Re: Request for Graffiti Removal

Dear Mr. Klapthor,

On May 20th we conducted a survey of Single Member District 2F06. We recorded approximately 70 observations during the survey, the majority of which will require city agency action. Enclosed you will find a summary of the approximately 30 incidents of graffiti in the area, which quit frankly are widespread. Please coordinate with the appropriate city agency to ensure the graffiti is removed as promptly as possible. An update to our point of contact in time for the July 5th, 2006 ANC meeting would also be appreciated.

We sincerely appreciate the work performed by you, the Office of Neighborhood Services and the other city agencies. My point of contact on the CCPS is Mike Sheaffer and he may be reached at anc2fccps@gmail.com.

Sincerely yours,

Charles D. Reed
Chairman, ANC2F
