Hello DCRA,

My name is Mike Sheaffer and I'm the co-chair of the ANC2F (Logan Circle) Committee on Crime and Public Safety. We've had some complaints (noise, rats) from concerned citizens about the property at 1224 11<sup>th</sup> St. NW. Several of us went to meet with the owner's representative last night. The person did not show, but while in front of the building for about 15 minutes we observed at least 7 people in and out of the building with more inside and a wooden fence blocking the downstairs entrance. It appears that the building fits the definition of a rooming house as the owner does not live on site and the volume of people in and out. A call to DCRA revealed there are no permits on file.

Please initiate an investigation on this property. If you have any questions please contact me at 703-695-0284 or via this e-mail, [anc2fccps@gmail.com](mailto:anc2fccps@gmail.com). We would appreciate receiving the results of your investigation.

Thank you,

Mike Sheaffer
