Dear ANC Commissioner :

This is in response to your correspondence regarding 1400 9th Street, N.W.

On September 8, 2006, the property was inspected. The inspection revealed broken window, peeling paint and several routine housing code violations. A Housing Violation Notice was written and will be personally served. A re-inspection will be conducted during the week of October 9, 2006. Should the owner fail to correct the violations, the case will be forwarded to the Housing Code Enforcement Branch to be processed for correction under the authority of DC Code, Title 5, Section 42-3131 (the Building Repair Program), and to the Office of Administrative Hearings for possible imposition of fines.

Should you have further question regarding this matter, please contact me at (202) 442-4406. Thank you.
