New Bundy Park amenities brought to the Shaw / Ward 6 Community by KIPP DC Public Charter Schools and its partners: The US Soccer Foundation, Roadside Development, Metro Sports Leagues, and the Friends of Bundy Park.

Look for announcements for opening day community events when the Friends of Bundy will give away hundreds of professional soccer balls to deserving local neighborhood young people.

***FieldTurf® is great for people and pets:**

- ★ Softer and safer than real grass, especially for little ones with allergies or a tendency to scrape knees.
- ★ It's the artificial grass of choice for 100s of daycare centers.
- ★ Unmatched durability - can stand up to aggressive play
- ★ Superior drainage = easy clean up
- ★ Natural look and feel that dogs love
