

ADVISORY NEIGHBORHOOD COUNCIL 2F SETTLEMENT AGREEMENT GUIDELINES AND STANDARDS

What is the purpose of a Settlement Agreement?

A Settlement Agreement (SA) is a contract between an establishment seeking to obtain or renew a license to serve alcoholic beverages and the community (as represented by the ANC and/or a community association) regarding the establishment's operational practices. The purpose of the SA is to address community interest regarding an establishment's operations and to avoid any potential problems surrounding the issuance or renewal of an alcoholic beverage license. SAs are generally negotiated between the ANC commissioner in whose Single Member District the establishment is located and the owner or manager of the establishment. Community associations, including but not limited to the Logan Circle Community Association, Rhode Island West Neighborhood Association, the Mid-City Residents Association, and the Blagden Alley Naylor Court Association, may also take part in these discussions.

When is an SA appropriate?

ANC2F will enter into settlement agreements when an establishment is located within 300 feet of a residentially zoned property. However, this does not preclude the ANC from entering into settlement agreements with establishments outside of 300 feet of a residentially zoned process.

Protests in neighboring ANCs

As a general rule, ANC2F will not protest liquor license applications outside the boundaries of the ANC and will encourage neighboring ANCs to extend reciprocal treatment. However, an exception may be considered upon the request of an ANC Commissioner in either district or a resident of ANC2F.
