Help Us Survey Our Neighborhood!

In cooperation with Age-Friendly DC, **The Residences at Thomas Circle** is coordinating the Block-by-Block Walk in ANC 2F, representing the Thomas Circle and Logan Circle neighborhoods. The goal is to identify both neighborhood assets and concerns affecting the quality of life for Seniors (age 60 and above) in the District—*Because what's good for older residents can be good for those with different mobility needs - wheelchair, tricycle, walker or stroller.* The data collected will help the city improve policy and practice to make daily life better for everyone.

**Volunteers
are needed!**
