PSA 307 Report – Sergeant Terestre

Sergeant Terestre reviewed crime statistics for the prior month in Police Service Area (PSA) 307, covering a large portion of the ANC 2F area. PSA 307 had an increase in property theft and theft from autos. Crimes against individuals were down 14%. Sgt. Terestre clarified crimes against individuals included armed robbery, mugging, etc. Prostitution is up, so please call the police when you see activity. Sgt. Terestre re-examined the “broken window” theory— if a property looks run down and unkempt, it appears to be a gateway to other crimes. ABRA

Eagle Café 1414 9th Street, NW

An agreement rose out of the refusal by the District of Columbia Alcoholic Beverage Control Board (the “Board”) to accept a mutually agreed voluntary agreement (the “VA”) submitted by them to resolve the protest of the ANC. In the view of the ANC, such refusal by the Board was unlawful, and the ANC was prepared to cause the issue to be appealed to the
District of Columbia Court of Appeals. Eagle Cafe, however, represented to the ANC that further delay in the issuance of its liquor license would result in the failure of the company and requested that ANC withdraw its protest, thereby foregoing an appeal in the matter. The ANC has agreed to this request subject to the terms and conditions. The Status Hearing was held this morning and the Protest Hearing will be held on July 15th at 3:00 PM.

Number 9 Extended Hours for Gay Pride Parade
