DDOT public space application for new unenclosed sidewalk café

Matt Minora, legal counsel for the applicant, and two representatives from the establishment at 1201 K St, NW requested the Committee's support for a public space application for a new unenclosed sidewalk café on the north side of K St, NW. Minora shared the seating plan and schematic, detailed operating hours, and answered Committee member questions. Commissioner Sylvester moved that the CDC recommend that the full ANC send a letter of support to the DDOT Public Space Committee in reference to the application as presented by Minora; the motion was seconded and approved unanimously by the Committee.

Vote: 7-0 (unanimous)

1025 Vermont Ave, NW (2F05)

DDOT public space application for new unenclosed sidewalk café

No applicant was present. The Committee decided—because of the application review due date set by DDOT PSC—to take no action.

No action taken

Meeting adjourned at **7:08 p.m.**
